FIRST AMENDED COMPLAINT FOR PATENT INFRINGEMENT

Plaintiff Positive Technologies, Inc. (“Positive Technologies”) complains against Defendants BenQ America Corp. (“BenQ”), Fujitsu General America, Inc. (“Fujitsu”), JVC Americas Corp. (“JVC”), Mitsubishi Digital Electronics America, Inc. (“Mitsubishi”), NEC Display Solutions of America, Inc. (“NEC”), Panasonic Corp. of North America (“Panasonic”), Philips Electronics North America Corp. (“Philips”), ProView Technology, Inc. (“ProView”), Regent U.S.A., Inc. (“Regent”), Samsung Electronics America, Inc. (“Samsung”), Sharp Electronics Corp. (“Sharp”), Toshiba America Consumer Products, L.L.C. (“Toshiba Consumer Products”), and V, Inc. (“V, Inc.”) as follows:

I. JURISDICTION AND VENUE.

1. This is an action for patent infringement arising under the patent laws of the United States (Title 35 of the United States Code). The Court has subject matter jurisdiction of this action pursuant to 28 U.S.C. §§ 1331 and 1338(a). The Court has personal jurisdiction over the Defendants in that each of them has committed acts within Texas and this judicial district which give rise to this action and each of the Defendants has established minimum contacts with the forum such that the exercise of jurisdiction over these Defendants would not offend traditional notions of fair play and substantial justice.

2. Each of the Defendants has committed acts within this judicial district giving rise to this action, including making sales, offering for sale and providing service and support to their respective customers in this district. Accordingly, venue is proper in this district pursuant to 28 U.S.C. § 1391(b) and § 1400.

II. THE PARTIES.

Unless enjoined by this Court, the ‘588 Defendants’ infringement of the ‘588 Patent will continue and will result in further irreparable harm to Positive Technologies.

56. Positive Technologies is entitled to recover damages from the ‘588 Defendants adequate to compensate for the infringement.

DEMAND

WHEREFORE, Positive Technologies respectfully requests the following relief:

a) That this Court adjudge and decree that Defendants have been and are currently infringing, inducing others to infringe, and committing acts of contributory infringement with respect to the '280, '457, '558 and '588 Patents;

b) That this Court enter an order that Defendants and its officers, agents, servants, employees, successors and assigns, and those persons acting in concert with them, be preliminarily and permanently enjoined from infringing, inducing others to infringe, and committing acts of contributory infringement with respect to the '280, '457, '558 and '588 Patents;

c) That this Court award damages to Positive Technologies to compensate it for each of the unlawful actions set forth in Positive Technologies' complaint;

d) That this Court award interest on such damages to Positive Technologies;

e) That this Court treble the damages awarded to Positive Technologies pursuant to 35 U.S.C. § 284 and 15 U.S.C. § 15(a) as a consequence of Defendants' willful infringement of the '588 Patent;

f) That this Court determine that this patent infringement case is exceptional and award Positive Technologies its costs and attorneys' fees incurred in this action pursuant to 35 U.S.C. § 285; and

g) That this Court award such other relief as the Court deems just and proper.

DEMAND FOR JURY TRIAL

Plaintiff respectfully requests a trial by jury on all issues triable thereby.
